Hello! I am going to talk about my family, my house, and my neighborhood.

I live in a big house with my parents and my sister.

My house is beautiful, comfortable, and very quiet.

There are three bedrooms, two bathrooms, a living room, a dining room, and a kitchen.

In my bedroom, I have a big bed, a small desk, and a computer.

In the living room, there is a sofa, a TV, and a coffee table.

In the kitchen, we have a fridge, a microwave, and a big table.

My neighborhood is nice and safe.

There is a park, a school, and a gas station near my house.

There are also many stores and a small coffee shop.

It is a quiet and friendly neighborhood.

To get to my neighborhood from the center of the city, you can take a taxi or a bus.

You can walk two blocks to the north of Circunvalación Avenue, then turn right and walk for three more blocks.

You will see a supermarket on the corner, my house is near there.

I really like my house and my neighborhood because it is calm and beautiful.
